Re: Thomas v. Stone  
08 Civ. 1495 (CM)

Dear Judge McMahon:

This letter is written to notify the Court that it has come to our attention that plaintiff will not be available for the phone conference scheduled for May 2 at 11:15 am. Based upon my conversations today with DOCS officials, plaintiff will be in transit to another facility on May 2 because of the imposition of a recent disciplinary sanction at Fishkill Correctional facility. Accordingly, we request that the May 2 phone conference be adjourned to a date and time convenient for the Court.

Respectfully submitted,

John E. Knudsen  
Assistant Attorney General  
(212) 416-8625

cc: Bernard Thomas, 99-A-2204 (via mail)  
Fishkill Correctional facility
